REFLECTIONS

**JUNE
2026**

Welcome to Academic Year 2026–27

As we begin a new academic year, **Adani Public School, Mohone (formerly NRC School)** warmly welcomes every student, parent, and educator to a journey of learning, growth, and excellence.

Guided by this year's theme, **"In Every Child, A Champion,"** we remain committed to nurturing every learner's unique strengths, inspiring confidence, and helping each child reach their fullest potential.

This edition highlights the memorable moments that marked the beginning of the session—from enriching workshops and celebrations to achievements that reflect the vibrant spirit of our school community.

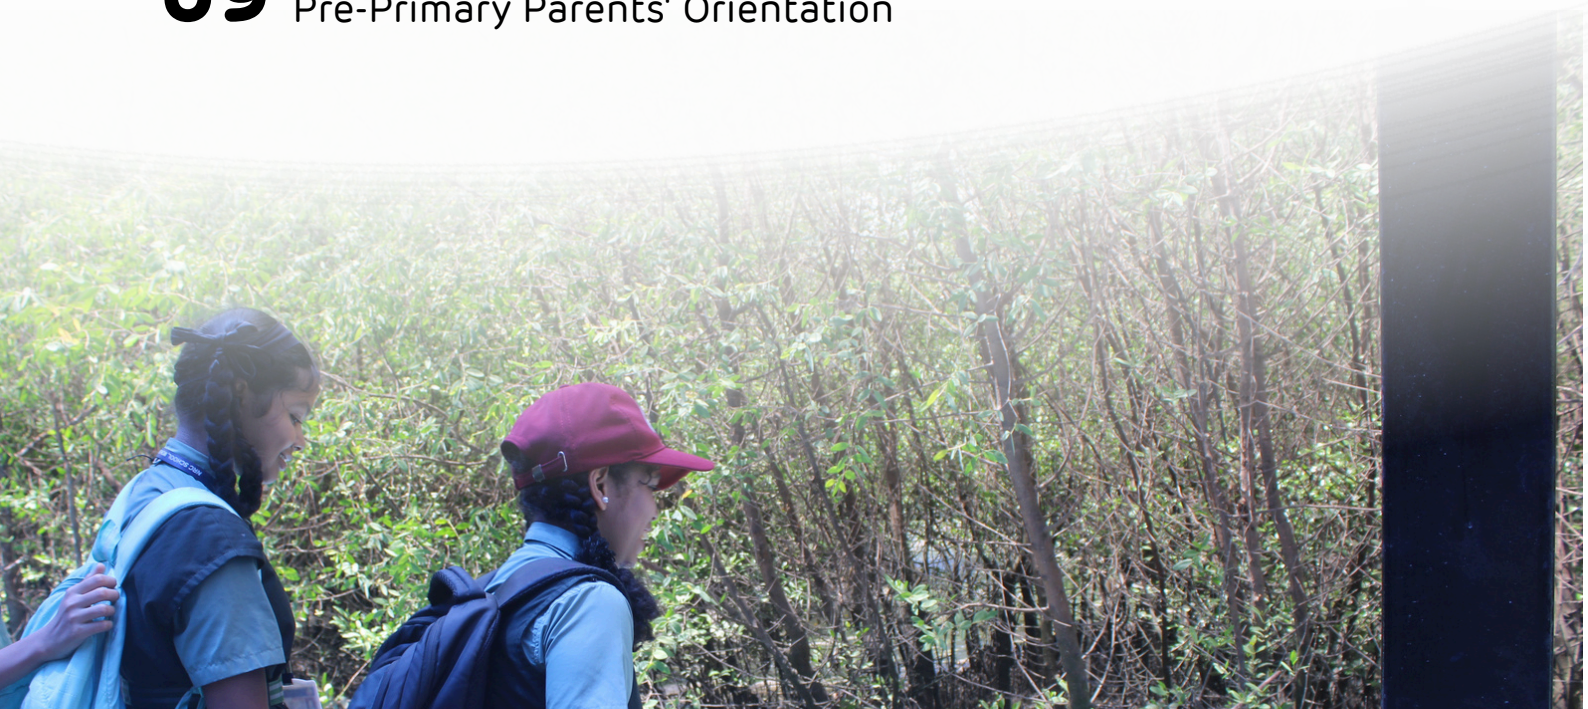

Here's to a year of discovering the champion in every child.

- 09** Pre-Primary Parents' Orientation

Congratulations

Mst. Pratik Badatya

Class 9

Pratik Badatya from Class 9 won **First Prize** in a national art competition organized with **Jockey Juniors** and **Times NIE** for his artwork titled "My Dream Adventure." His **creativity** earned him a **Winner's Trophy**, a custom Jockey T-shirt with his artwork, a professionally framed painting, and a **Certificate of Excellence**. Announced in June, this achievement highlights the value of creativity and **dedication** in art, making it a proud moment for Pratik and the school community.

Congratulations

TEACHER

Mr. Somnath Chachar

Teacher

Adani Public School, Mohone (formerly NRC School) proudly celebrates the **literary achievement** of Mr. Somnath Shivaji Chachar, who has published his poetry collection, "रानातल्या पायवाटा", featuring 100 original poems inspired by life experiences, relationships, nature, and rural culture.

The book was **officially launched** on 13 June 2026 at Badlapur by Hon. Shri Dnyaneshwar Mhatre Sir, Teachers' MLA, Maharashtra State.

This remarkable accomplishment reflects Mr. Chachar's passion for literature and creativity, bringing great pride to the entire NRC School family.

Teachers 4 days workshop

ART OF HAPPINESS

A four-day Art of Happiness Workshop was organised for the teachers of Adani Public School, Mohone (formerly NRC School) to promote emotional well-being, mindfulness, and stress management. The workshop was conducted by Mr. Jawaharlal Dhameja, Mr. Nawalsing Patil, and Ms. Nilima Shinde, who guided the participants through simple techniques to develop a positive mindset and lead a balanced life.

As a follow-up, all participating teachers were added to a dedicated WhatsApp group where a 20-minute guided audio session was shared for daily practice. The group also provides regular updates, motivational messages, and blessings to encourage teachers to continue their wellness journey. The workshop inspired teachers to prioritise self-care and create a positive and supportive learning environment for their students.

Faculty Development: Empowering Voices Through Speech & Drama

Our English language faculty recently returned with a wealth of creative teaching strategies after attending the InterAct Expressive Classroom – Speech and Drama Training workshop organised by the Adani Foundation in Ahmedabad. Upon their return, the trained educators—Ms. Lynette Wickens, Ms. Fatima Sayyad, Ms. Gauri Amrutkar, and Ms. Minal Mitkari—conducted an engaging, hands-on training session for the Pre-Primary, Primary, and Secondary teachers at Adani Public School, Mohone (formerly NRC School)

The primary objective of this initiative was to integrate innovative classroom strategies and expressive arts into the curriculum, transforming traditional lessons into vibrant spaces of experiential learning. During the session, teachers actively participated in dynamic activities, including an energetic Walk Around Activity, expressive Mime Acts, and interactive Speech and Drama exercises designed to enhance communication skills and build vocal confidence.

The workshop also featured collaborative Lesson Plan Presentations, where teachers designed drama-integrated lessons, along with Watch and Speak Activities that encouraged spontaneous speaking and creative expression. By equipping its educators with these interactive teaching techniques, Adani Public School, Mohone (formerly NRC School) continues to strengthen its commitment to creating joyful, student-centred learning experiences that foster communication, creativity, confidence, and active participation across all grade levels.

Mental Wellness Workshop for Educators

On 16th and 17th June 2026, NRC School organized a two-day, five-session Mental Wellness Workshop on the theme "Educators' Readiness for Mental Wellness of Students." The workshop was conducted to strengthen teachers' understanding of students' emotional well-being and their role in creating a positive and supportive learning environment.

The programme commenced with the lighting of the lamp and the warm felicitation of the distinguished resource persons, Dr. Atul Nischal, an academic entrepreneur, and Ms. Arshma Hasan, an expert psychologist. Their insightful sessions equipped educators with practical strategies to recognize early signs of emotional and behavioural concerns, foster resilience, encourage emotional expression, and build effective coping skills among students.

Through interactive activities, discussions, and real-life examples, teachers gained valuable knowledge on promoting mental wellness, strengthening classroom support systems, and working collaboratively for the holistic development of every child.

The workshop reinforced Adani Public School, Mohone (formerly NRC School) commitment to nurturing not only academic excellence but also the emotional well-being of every student, empowering educators to build happier, healthier, and more inclusive classrooms.

A Joyful Start for Grade 1

The first day of school is always a milestone, and this year was no exception as we warmly welcomed our Grade 1 students to the school. With bright smiles, eager hearts, and tiny footsteps entering their new classrooms, the campus came alive with excitement, curiosity, and the promise of a wonderful academic journey ahead.

To make this special day even more meaningful, our young learners received a traditional warm welcome and proudly held up their "Welcome to School" placards, marking the beginning of a new chapter filled with learning, discovery, and growth.

The day also included a Parents' Orientation, where families were introduced to the school's vision, academic approach, and the exciting experiences planned for the year. We sincerely thank all the parents for their enthusiastic participation and continued trust. Their partnership plays a vital role in nurturing every child's confidence, character, and success.

As we begin this new academic year together, we look forward to creating countless memorable moments and empowering every child to learn, grow, and shine. Here's to a year filled with curiosity, achievement, and joyful learning!

Exploring the Wonders of Wetlands - Class 8

18TH & 19TH JUNE 2026

NRC School, in collaboration with Wetlands International South Asia, organized a two-day educational programme to create awareness about the importance of wetlands and biodiversity.

On 18th June, Ms. Dayadra and Ms. Aditi conducted an interactive session, introducing students to wetlands, the Ramsar Convention, and the vital role wetlands play in conserving biodiversity, regulating water resources, and protecting the environment.

On 19th June, students visited the Coastal and Marine Biodiversity Centre, Thane, where they explored the rich wetland ecosystem. They learned about flamingo migration, observed a life-sized whale skeleton, watched informative documentaries, and discovered the importance of conserving wetlands and the species that depend on them.

The programme concluded with students reflecting on their experience by preparing a report, making the initiative a meaningful blend of learning, exploration, and environmental responsibility.

BALMANDIR SCHOOL REOPENING

The youngest learners of Adani Public School, Mohone (formerly NRC School) were warmly welcomed as they stepped into the Pre-Primary section for the first day of the new academic session. Their classrooms were thoughtfully transformed into vibrant, engaging spaces designed to spark curiosity and make their transition to school joyful and comfortable.

Junior KG welcomed children with colourful vegetable and alphabet-themed décor, while Senior KG featured a cheerful emoji theme that encouraged emotional expression and social connection. Exciting activities, including a ceremonial ribbon-cutting, fun classroom experiences, and the delightful "Guess Who is Our Favourite Student?" mirror activity, filled the day with smiles, laughter, and excitement.

The reopening marked the beginning of a wonderful journey of learning, friendship, and discovery. Adani Public School, Mohone looks forward to partnering with parents in nurturing every child as they take their first steps toward a bright future.

Adani Day Celebration & Adani Anthem Launch

On 24th June 2026, Adani Public School, Mohone (formerly NRC School) proudly celebrated Adani Day, commemorating the birthday of Mr. Gautam Adani, Chairperson of the Adani Foundation. The occasion was made even more special with the official launch of the Adani Foundation Schools Anthem—a heartfelt musical tribute symbolizing unity, shared values, and the spirit of the Adani family.

At 9:00 a.m., the anthem was played simultaneously across all Adani Foundation schools. At Adani Public School, Mohone, the anthem video was showcased on digital panels in every classroom, where students and teachers enthusiastically joined in singing, creating a memorable atmosphere of pride and togetherness.

The celebration served as a meaningful reminder of the values that connect every Adani Foundation school, inspiring our students to continue learning, growing, and striving for excellence as one united family.

Class X (2025–26)

Felicitation Ceremony

Adani Public School, Mohone (formerly NRC School) proudly hosted the Class X (2025–26) Felicitation Ceremony on 27th June 2026 to honour the exceptional achievements of its SSC Board Examination toppers and successful students. The event was a celebration of perseverance, dedication, and academic excellence, recognizing the remarkable efforts of the students who brought laurels to the school.

The ceremony commenced with a warm welcome to the students, parents, and distinguished guests. The achievers were felicitated by the Principal and dignitaries, who applauded their outstanding performance and acknowledged the unwavering support of their parents and teachers throughout their academic journey. Addressing the gathering, the Principal congratulated the students on their well-deserved success and encouraged them to embrace new opportunities with confidence, determination, and a lifelong passion for learning. The inspiring words motivated the young achievers to continue striving for excellence in every sphere of life.

The event concluded on a joyful and emotional note, celebrating not only academic accomplishments but also the values of hard work, resilience, and commitment that define every student. The ceremony stood as a proud milestone, reinforcing the school's dedication to nurturing excellence and empowering future leaders.

Pre-Primary Parents' Orientation

18TH & 19TH JUNE 2026

Our school successfully conducted the Pre-Primary Parents' Orientation to welcome parents and introduce them to the exciting learning journey ahead. The session strengthened the partnership between parents and educators by providing an overview of the early childhood curriculum, including Numeracy, EVS, theme-based learning, classroom routines, safety measures, and dispersal procedures.

The orientation also featured interactive games and engaging activities, offering parents a glimpse into the joyful and experiential learning environment that awaits their children. The enthusiastic participation of parents made the session meaningful and reaffirmed our shared commitment to nurturing confident, curious, and happy learners.

Together, we look forward to creating a strong foundation for every child's holistic growth and development.
